STAFF'S ANSWER TO THE PETITION

Now comes the Staff of the Illinois Commerce Commission (Staff) and in support of its Answer to the Village of Norridge 9-1-1 System's (Norridge) Petition for Approval of Modifications to the Existing 9-1-1 Emergency Telephone Number, states the following:

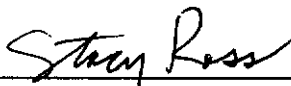

1. The Village of Norridge 9-1-1 System received an order to operate its Enhanced 9-1-1 System from the Commission on December 22, 1992, in Docket 92-0276.
2. On June 5, 2006, Norridge filed a Petition for Approval of Modifications to the Existing 9-1-1 Emergency Telephone Number System in which it requests to relocate its backup Public Safety Answering Point (PSAP) from the Village of Elmwood Park to the Village of Rosemont. The Village of Rosemont Public Safety Department is located at 9501 W. Devon Avenue in Rosemont, Illinois. Rosemont is currently a certified 9-1-1 system and this PSAP is the primary PSAP in the Village of Rosemont 9-1-1 system. It currently meets all requirements for a primary PSAP and it also meets all the requirements for backup PSAP as prescribed in Section 725.505(i) of Illinois Administrative Code Part 725 – Standards of Service Applicable to 9-1-1 Emergency Systems.
3. The Village of Rosemont has agreed to be the backup PSAP for Norridge's 9-1-1 system and the required interagency agreement between two entities was provided with the petition.
4. Staff has thoroughly reviewed Norridge's Petition for Approval of Modifications to the Existing 9-1-1 Emergency Telephone Number System and supports the petitioners' request for modification. In addition, Staff supports waiving a hearing in this docket.

Respectfully Submitted,
